
On behalf of the Walker and Lambe families we would like to thank everyone involved in making this such a special event. We know Sue would be proud of this occasion. We are grateful for the hard work of the volunteers, the various sponsors and donors, the organizing committee, your participation on the course and at the dinner and to Indian Pond for the use of their wonderful facility. Our goal is to continue to raise awareness and funds for breast cancer research and to bring family and friends together just like Sue did on so many memorable occasions.

TO FIGHT CANCER®**

Welcome Friends,

It is with great pride and joy that we welcome and thank you for joining us on this our 1st Annual Sue Walker Memorial Golf Tournament. This event has two goals:

1. To raise funds for breast cancer research
2. To honor Sue Walker

On February 6th 2013 Sue (Lambe) Walker lost her lengthy battle with breast cancer. In putting together this event we wanted to create something special that would not only help raise awareness and funds for breast cancer research but would also honor Sue's commitment to life and her love of family and friends.

With a lot of help we have put together today's event and hope that you enjoy the golf, dinner and social occasion.

We truly appreciate your time and support and thank you for playing a part in the fight against breast cancer.

Committee Members:
